Mr. President, the Committee on Committees give notice of change of hearing dates for confirmation of certain gubernatorial appointments. Mr. President, your committee on Agriculture and Environment gives notice of public hearing in Room 2230 for the week of January 12. Mr. President, I have the following new bills. LB 758. Read title. LB 759. Title read. LB 760. Title read. LB 761. Title read. LB 762. Title read. LB 763. Title read. LB 764. Title read. LB 765. Title read. Mr. President, I have a communication from the Governor with respect to that bill.

SPEAKER LUEDTKE: Yes, please read the communication from the Governor as a matter of record.

CLERK: Read communication. (See pages 260 and 261, Legislative Journal.)

SPEAKER LUEDTKE: The Chair recognizes Senator Warner, who has asked, as Chairman of the Appropriations Committee, to comment on this particular communication and the introduced bill. Senator Warner.

SENATOR WARNER: Mr. President, members of the Legislature, I just want to call your attention that the Appropriations Committee has already introduced legislation to modify this issue that is brought up by HEW. The approach that the committee has suggested is different than what is suggested by the Governor and that will be discussed in due time but I did want the committee to be well aware or the Legislature to be well aware that at the time this language was put into the appropriations bill we anticipated introduction of the legislation that the committee did and that there is no problem in any respect of the state losing any or qualifying for any federal funds by virtue of the appropriation bill of last time. So I just wanted to call your attention to that fact.

SPEAKER LUEDTKE: Read the additional bills in, Mr. Clerk.

CLERK: Mr. President, LB 766. Title read. LB 767. Title read. LB 768. Title read. LB 769. Title read. LB 770. Title read. LB 771. Title read. LB 772. Title read. Mr. President, LB 773. Title read. Mr. President, I also have LB 153. Read. That should appropriately be laid over, Mr. President.

SPEAKER LUEDTKE: All right. That is all then. Any thing further then? We will then proceed on General File with LB 469.
